**BEFORE THE ARIZONA CORPORATION COMMISSION**

IN THE MATTER OF THE  
APPLICATION OF NORTHERN  
SUNRISE WATER COMPANY INC., AN  
ARIZONA CORPORATION, FOR A  
DETERMINATION OF THE FAIR  
VALUE OF ITS UTILITY PLANTS AND  
PROPERTY AND FOR INCREASES IN  
ITS WATER RATES AND CHARGES  
FOR UTILITY SERVICE BASED  
THEREON.

DOCKET NO: W-20453A-09-0412

Arizona Corporation Commission  
DOCKETED

SEP -1, 2001

DOCKETED BY

Northern Sunrise Water Company Inc. ("NSWC") hereby files this Motion to Consolidate the above-captioned matter with the rate case applications filed by Bella Vista Water Co., Inc. ("BVWC") in Docket No. W-02465A-09-0411 and Southern Sunrise Water Company Inc. ("SSWC") in Docket No. W-20454A-09-0413, as well as the Joint Application filed by BVWC, NSWC and SSWC in Docket No. W-02465A-09-0414 (the "Joint Application").

BVWC, NSWC and SSWC are all affiliated companies owned by Algonquin Water Resources of America, Inc. ("Algonquin"). In addition to filing separate individual rate cases, BVWC, NSWC and SSWC have also filed a Joint Application to request that the Arizona Corporation Commission ("Commission") approve a consolidation of the companies' operations and their rates. By approving this Motion to Consolidate, the Commission can consider NSWC's request for rate consolidation, and consider the benefits of consolidation on all potentially affected water customers against the rate

1 impact if all three rate structures otherwise remain separate. Notably, however,  
2 consolidation will not preclude a decision not to consolidate the three water providers as  
3 each rate case application contains all of the required testimony and supporting schedules  
4 upon which each individual company's rate can be set. Because consolidating the four  
5 applications will promote judicial economy and administrative efficiency, granting the  
6 Motion to Consolidate is in the public interest.

7 **RELIEF REQUESTED**

8 WHEREFORE, NSWC respectfully requests the following:

- 9 1. That the Commission proceed to consider and act upon this Motion as  
10 timely as possible by entering an Order approving the Motion, and  
11 2.. Grant any other such relief as the Commission deems appropriate.

12 RESPECTFULLY SUBMITTED this 1st day of September, 2009.
